

# Product Information

## WOAF 200 Poster Paper

### Description

Work Of Art Frame (WOAF 200g) is a satin anti-reflective coated giant poster paper for high resolution prints with solvent, ecosolvent, mild-solvent, UV and latex inks. Specially designed for applications where a high quality non-reflective satin finish is requested. It also works perfectly for all kinds of wide format advertising. A special coating and satin non-reflective surface enable this material to give the highest quality colour reproduction.

### Composition

Media: 202g/m<sup>2</sup>  
200 µm
