

Product Information

Feel It 180gsm

Description

Feel it 180gsm ecological banner is a fireproof tear-resistant material for high resolution printing with solvent, eco-solvent, mild-solvent, UV and latex inks. As a tear-resistant material, Feel it is a perfect ecological friendly alternative to PVC banners. A matt finish printing surface makes it usable as a wallpaper with a standard glue. Thanks to the fire resistant capability and the French M1 regulation this media is suitable for use in all public places or special events showrooms.
